8 HABITS OF A HAPPIER WORKPLACE

A TEA-SER BY LIPTON

A workplace is like a second home

We spend nearly 1400 hours a year at work. Over time, our colleagues become our extended family.

To infuse some warmth and fun into this equation, we came up with some ideas that you could easily implement for a 'Happier Workplace' - an initiative to make those many hours at work, happy.

Small actions go a long way in making a big difference. Let's get started.

AS A PROFESSIONAL, WE KNOW YOU LIKE YOUR PROCESSES TO BE SYSTEMATIC AND YET PERSONALIZED. SO, HERE ARE SOME EASY AND SIMPLE TIPS THAT YOU AS AN HR PERSON CAN IMPLEMENT IN ANY TYPE OF OFFICE. FLEXIBLY AND CONVENIENTLY.

TEAM UP AND PREPARE YOUR CUP OF LIPTON TEA WITH THESE FOUR KEY INGREDIENTS:

The background of the entire image is a warm, golden-yellow photograph of an office environment. Several people are visible, some standing and some sitting at desks. One man in a light blue shirt is on the left, holding a cup. In the foreground, a woman in a light-colored blazer is seated at a desk, looking towards the camera. The desk is cluttered with papers, a laptop, and a green pen holder. The overall atmosphere is bright and professional.

HABIT #1

TAKE A BREAK FROM WORK AND RELAX WITH YOUR TEAM

FACT: HAPPY EMPLOYEES ARE 12% MORE PRODUCTIVE.

Encourage employees to take breaks from their screens in a relaxing environment, away from the hustle and bustle of the regular workplace. It's a perfect time for catching up and building connections that go beyond work.

And of course, a tea station!

HABIT #2

CELEBRATE SMALL MOMENTS. ALONG WITH THE BIG OCCASSIONS

FACT: ACCORDING TO GLOBOFORCE, 74% OF EMPLOYEES WHO HADN'T CELEBRATED ACCOMPLISHMENTS AT WORK WERE MORE LIKELY TO LEAVE THEIR JOBS.

Plan special days and give your team a fun time to look forward to. Bring your kids to work day, pizza day, pot luck parties, or simply, dress up like your favorite movie character day. Events such as birthdays, or work achievements can be celebrated together. Or you could simply get experimental and come up with your own whacky days!

FACT: CLOSE WORK FRIENDSHIPS BOOST EMPLOYEE SATISFACTION BY 50%.

Plan a team building activity for employees – escape room sessions, go-karting, bowling, archery. Suggest starting a sports club to your employees so that they can practice teamwork on the pitch as well as off it. Mix existing teams to encourage cross team interactions.

HABIT #4

CHARITY BEGINS AT THE WORK PLACE

FACT: 70% OF EMPLOYEES SAY THAT CULTIVATING FRIENDSHIPS AT WORK GENERATES A POSITIVE INFLUENCE ON THEIR PRODUCTIVITY AND HAPPINESS.

Why not get everyone together to raise money for a local registered charity? A bake sale, office games or a silent auction all help raise money and improve that team spirit. Spread a sense of joy in giving, and encourage employees to unite for a cause.

HABIT #5

BE A WORKPLACE THAT PROMOTES WELLNESS

FACT: EMPLOYEES WHO REPORT BEING HAPPY AT WORK REPORT 10 TIMES FEWER SICK DAYS THAN UNHAPPY EMPLOYEES.

Every day routine can put health goals on the backseat. With small steps you can push your employees to practice healthy habits – even while they are at their desk. A few simple workouts to avoid neck and back strain, emailer guides to better posture. The even healthier ones can opt for group walks post lunch or to the bus station after work. Or try some relaxing ambient music for long working days that go into nights!

TEA & SNACKS TO THE RESCUE!

Encourage your team to opt for tea therapy as first aid. A ginger tea for sore throat, chamomile to calm you on a busy day, green tea for the detox lovers. Keep healthy snacks close by for your next tea break. Replace chips and chocolate with nuts, fruits and seeds in your pantry.

LEARN SOMETHING NEW

HABIT #8

BEGIN AND END YOUR WEEK WITH FUN

FACT: ACCORDING TO A FORBES STUDY, FLEXIBLE WORKERS ACHIEVED MORE, WERE OFF SICK LESS OFTEN, WORKED LONGER HOURS AND WERE HAPPIER IN THEIR WORK.
